Booth No. D61-6	**Premium-Line Systems GmbH** Rosenheimer Strasse 89 83064 Raubling Germany Phone: +49 8035 9836 0 E-Mail: info@premiumline-cabling.com Website: www.premiumline-cabling.com	Data & communication network infrastructure, Structured cabling systems Data Center infrastructure solutions
Booth No. D61-4	**Praelexis AI GmbH** Ritter-Hilprand-Strasse 9 82024 Taufkirchen Germany Phone: +27 021 200 5817 +27 83 492 3442 +27 82 940 3319 E-Mail: lizette@praelexis.com Website: www.praelexis.com	Praelexis is a trusted Artificial Intelligence (AI) advisory and implementation partner that empowers companies to unlock the full potential of their data using AI to enhance operations, make informed decisions, and achieve sustainable growth. Our work is grounded in five pillars: Advisory & Strategy, Process Intelligence, Data Foundation, AI Solutions, and Agentic AI & Automation. From shaping your AI strategy and building the data foundation it depends on, to embedding intelligence into your processes and deploying autonomous systems that act — we walk the full journey with you.
Booth No. D61-3	**tellma GmbH** Gewerbestrasse 8 87787 Wolfertschwenden Germany Phone: +49 8342 7004 7004 E-Mail: info@tellma.de Website: www.tellma.de	tellma turns distance into opportunity. Our AI-powered video communication platform enables organisations across all industries to connect personally with customers, citizens, and employees — wherever they are. Through mobile devices, web platforms, or on-site Video Kiosk Systems, tellma provides the infrastructure for remote sales, customer service, coaching, education, training, and virtual branch operations. AI Video ChatBots extend capacity around the clock — but the real power of tellma is human: by bridging geographical gaps, organisations can deploy local agents and advisors in previously unreachable markets, creating meaningful jobs at scale. tellma doesn't replace people. It puts people to work in places they could never reach before.
